

Your door towards Moroccan Watercolor Adventures and Workshops

When people use the word "exoticism", they are probably referring to places like Morocco.

Travel to the heart of Morocco: travel differently in great southern Morocco. Immersion into the incredible sites of this region. Historical circuits allow you to discover the valleys of Dades, Toudgha as well as the superb region of Tafilalet and Draa (Zagora). Add to this, an intoxicating afternoon and night in the desert where you ride a camel on the dunes while the sun flickers dramatically on the horizon, where you arrive at the campsite offering comfortable accommodation nestled in amongst the dunes and a sense of well-being. We are committed to accompanying you on this unforgettable journey through magnificent Moroccan landscapes. Our tours will also allow you to discover historical, cultural, and traditional Morocco without forgetting the Moroccan gastronomy.

A visit to Morocco is essentially the answer to all your Lawrence of Arabia fantasies (including the whirling white djellabas): you will stay in historic riads, camp under the Saharan stars and enjoy Moroccan hospitality.

WATERCOLOR PROGRAM

9 Days / 8 Nights

DAY 1: Arrival in Marrakech at the Marrakech-Menara International Airport. after the meeting , the departure will take place towards Ouarzazate (about 200 km from Marrakech). taking the road which passes through the High Atlas mountain range. On our way we will drive through the Tizin'Tichka pass, at an altitude of more than 2200 m and which links the valley of the Tensift wadi in the north, to the Asif Ounila valley a semi-arid region in the southeast. We will stop for the night in Aït-ben-Haddou, located in the Ounila valley and which is the traditional crossing point for caravans connecting Marrakech to the south of the Sahara.

DAY 2: "The Ksar": Here we will begin our first sketches of Aït Ben Haddou from the panoramic terrace of our luxurious guest house . In the afternoon we shall visit the historic city and sketch in the shaded alleys and along the wadi (river). At the end of the day, we will leave Ait-ben-Haddou to arrive at one of the largest palm groves in Morocco where we will spend the night.

DAY 3: Skoura "The Palm Grove": In the morning we will discover the splendor of the date palms and the sheltered fruit and olive trees that cover over than 27km square. The local population will warmly welcome you, adding to your feeling of well-being, all this under the heat from the Moroccan sun. The palm grove..... with its flora and its kasbahs, will provide many subjects for the second page of your travel journal.

DAY 4: "The Souq" weekly market : We will visit the souk where traveling merchants, artisans, blacksmiths, leather products and everyday goods of all kinds can be found. After a painting session, immersed in the middle of this Moroccan market we will be on our way to the Gorges Dades, located at the foot of the High Atlas and side by side the anti atlas. then we will continue on towards the Dades Gorges which carve their way through the mountains creating impressive cliffs. In Todgha, you will be facing two steep cliffs of 300 meters' high, separated by a narrow corridor of around twenty meters: this is an unforgettable spectacle to draw, paint or photograph.

DAY 5: The drive from Tineghir to Merzouga (renown for the highest dunes in the world) passes by a succession of ksour and oasis. This region was one of the compulsory crossing points for caravans of slaves and gold traffic from Sudan and Guinea. Your caravan awaits you for a one hour trip on the back of a camel to watch the sunset from the top of a dune....

DAY 6: Departure from Merzouga to take the direction of our lodging in Skoura, via Tafilalet and Rissani the region of Jewish and Muslim Saints. The whole day would be on the road with full of surprises and adventures.

DAY 7: The Kasbahs of Skoura ": Amridil ". Continue working on your travel journal. this day would be evolving about the traditional architecture and moroccan lifestyle, which you can picture in your artwork. One of Morocco's grandest kasbahs, this 17th-century marvel once appeared on the 50 dirhams note bank. Signposted just a few hundred metres from the main road, this living museum showcases traditional kasbah life over the centuries.

DAY 8: The eight day is a relaxing morning spent at the guest house to finalize your travel journal finishing sketches, painting, collages and the layout with the advice of the teacher. Lunch break. In the afternoon, free time and an opportunity to shop for souvenirs, or simply let the song of the birds guide your steps in the palm grove. Last night in Skoura..

DAY 9: It is hard to say goodbye. but, this is the farewell day.....Transfer to Marrakech-Menara International Airport.
